

CONTEMPLATIVE & EVANGELIZING

Our mission is to help people meet Jesus Christ. We believe He calls each person in our world by name and invites them to get to know him. We reach out with him to help people recognize that call and grow in their relationship with him, finding the answers to life's questions and discovering their God-given identity and purpose.

When we experience how much God loves us, together as a community like the first Christians, something powerful happens. We are ignited and we become his apostles, going out into the world with him to change lives and make his kingdom present today, here and now.

LEGIONARIES OF CHRIST · CONSECRATED WOMEN · LAY CONSECRATED MEN · LAY MEMBERS

Consecrated Women of Regnum Christi

The Consecrated Women of Regnum Christi are women who have received a personal call from Christ to follow him in a new way of living the evangelical vows in the world. And they said yes. They dedicate themselves entirely to evangelization; accompanying and forming adults, families, youth, and children to become apostles for Christ's Kingdom, through the Regnum Christi charism.

Lay Members of Regnum Christi

Lay Members of Regnum Christi are passionate Catholics from all walks of life who invite others to experience Christ's love and follow him as apostles. By the witness of their own call to holiness and through evangelization with youth, young adults, professionals, and families, they change the world we live in. They make the Kingdom of God present in today's world so that all people have the chance to encounter Christ and experience his love.

Lay Consecrated Men of Regnum Christi

The Lay Consecrated Men of Regnum Christi respond to a call from God to dedicate their entire lives to the service of the Church as lay people consecrated to Christ. They live and spread the good news as apostles in society and in the professional world.

The Legionaries of Christ

The mission of the priests of the Legionaries of Christ is to form apostles, Christian leaders at the service of the Church. Driven by the desire of Jesus' heart to set the world ablaze, the religious priests of the Legionaries of Christ support each other and work in communion with other Regnum Christi members in their mission to form apostles, people who let the love of Christ the King transform their hearts, their families and their world.
